

Ahmedabad Institute of Medical Sciences

THE DISCIPLINE OF LEARNING & ART OF CARING

(Affiliated to Gujarat University)

(Recognized by Govt. of Gujarat)

(Recognized by Gujarat State Council For PhysioTherapy)

(Run by Garvi Gujarat Medical & Educational Foundation)

ABOUT THE COLLEGE

AIMS is the 1st of its kind of institute running course of multi disciplinary sciences in Gujarat, run by a Garvi Gujarat Medical and Educational Foundation, affiliated to Gujarat University and recognized by Government of Gujarat since the year of 2006.

There is a visible sense of family and community at AIMS, students learn to care of patient same way as a patient anticipates from a capable health care professional.

We are proud of the fact that we strive to develop in our students a blend of both the technical and the human skills required in their profession. The substance of the curricula, as well as of the instructional processes used to communicate that information, reflects a humanistic approach to health care. Therefore it is imperative that our students understand that they have role in the learning environment and that they are active rather than passive recipients of their education.

OUR HISTORY

Charitable Trust “Garvi Gujarat Medical & Educational Foundation” was established in the year 2006, for providing paramedical healthcare service & Education at Lapkaman, Ahmedabad and is playing a Progressive role in Service by opening & running successful AIMS College.

Colleges under Garvi Gujarat Medical & Educational Foundation:

- 1) AIMS :- Ahmedabad Institute of Medical Sciences 2006
- 2) AINS :- Ahmedabad Institute of Nursing science 2007

BPT course was started under Garvi Gujarat Medical & Educational Foundation in 2006 with intact capacity of 75 students per batch.

Master of Physiotherapy course started in year 2011 with intact capacity of 18 students per batch

MISSION

“ The mission of the Institute is to prepare skilled, dedicated & outstanding physiotherapists and to advance the profession of physiotherapy, as broadly defined, through advance research and the application of clinical processes and government's ethical educational policy. ”

VISION

“ The institute will be a world leader in the integration of (a) teaching & learning (b) advancement of the knowledge base through research and (c) leadership in health service. The Institute strives to achieve global identify through its innovation methods & dedicated efforts for the betterment of community. The Institute will be a world leader in preparing professionals who provide leadership & exemplary educational and related health services to improve health related quality of life of individuals in a changing & complex global society. ”

Dr. T.Kanna Amarnath, P.T.
(MPT in Orthopaedics)
Principal, AIMS

MESSAGE FROM THE PRINCIPAL

A warm welcome to Ahmedabad Institute of Medical Sciences (AIMS). It gives me a tremendous amount of pride & happiness to represent Ahmedabad Institute of Medical Sciences as Principal. At AIMS campus, we provide an education that will assist the students in becoming human sensitive and technically competent health care professionals.

A Gurukul type of set up with lots of greenery and colorful flowers around and no air/sound pollution. We have tried our level best to provide as much facilities as possible on the different facets like infrastructure, clinical attachments also talented, productive & dedicated faculties. We are committed to provide a state of art and high quality education to develop the future of students and to shape professional personality. Looking forward to get associated with you.

Our's is a student focused institute where committed staff of this organization will provide you a world class learning opportunities for the studies and to come out to be an international standard medical professional. An ultra-modern building with good class rooms, laboratories, clinics, modern canteen, playground & library. The office is well equipped with computers, fax, printers, Xerox machine and internet facilities. There is lots of open space for the overall growth of the students through play activities like cricket, volley ball, Badminton, Kabaddi, Kho Kho, etc.

I believe that parents and teachers all play a vital role in helping students reach their greatest potential. To nurture student's future, we carry out variety of activities and various gatherings where parents also can interact with faculties. we work together to inspire the young students to build up their career and transform themselves into decent human beings.

I am proud of being the principal of such a wonderful institution dedicated to develop talented future.

Best wishes to all my loving children

Dr. Alpa Purohit
(MPT in Orthopaedics)
Vise Principal, AIMS

Dear Parents, Guardians and Ahmedabad Institute of Medical Science (AIMS) College, Welcome to the AIMS website. As the vice principal of college, I am very fortunate to work with many dedicated, innovative, extremely knowledgeable and caring staff members, parents and students. Each day is filled with new experiences, learning for all and ability to make someone's day better. The college is build with high tech infrastructure facilities. AIMS College's curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs of our students.

The students at AIMS College are offered opportunities to diagnose and treat the patients and learn from qualified faculties. We are having our own OPD in the college which has so many patients with different conditions so students can learn about different patients and practices which are very helpful in their career.

We offered many activities, sports and cultural events in which our students can add glory in college. We also send our students to different conferences; so that they can learn about recent advances and compete with the other students.

It is our belief that our children of today are our leaders of tomorrow.

My best wishes to all my beloved.
