From the Editor's Desk

It gives me great pleasure to present to you all about 9th News Flash Bulletin. In this issue, you will get an insightful, creativity and quality content that helps to engage and empowers you. It provides a great platform for the students and faculties to unleash their inner creativity and talent. We have received overwhelmed contribution in form of writing articles, drawing pictures for the "art corner", writing poetry, achievements and many more. Academics is one part of life's story but having and cultivating these interests and hobbies is equally important and acts as a stress buster.

This bulletin is published institute-wide and has the works of students, faculties and the institute. It is a good way for the students to get recognition. Parents also come to know about the various activities going on in the institute.

May your journey be filled with joy, success and fulfilment.

WHAT OUR ALUMNI SAYS?

Dr. Tanvi Kanakiya,

“From mistakes to perfection – I have grown up here; From a rock to become a gemstone – the guidance – I have received here.” I'm very grateful to AIMS for making me feel like my second home, where I have lived with my ups and downs. Thank you, professors and my mentor, for enlightening my knowledge under your superintendence, because what I'm today would not be possible without you all. The journey I spent here was full of memories, motivation, skillfulness, rewarding and remarkable. “Two years of PG shall mark my pilgrimage through these halls of learning, where duty and destiny dance as one.”
